### CHANGE-OVER NIGHT AT TOWN HALL

Although the weather was wet outside, we had a great turnover meeting at the Town Hall. Our location was changed from the Whetten's home on the lake to the Town Hall due to the rainy weather. There were many welcomed guests and a strong turnout for the meeting. The food was a catered chicken bar-b-que with all the fixings, sweets and ice cream for dessert, soft drinks, water, and coffee beverages. Thanks to Sue Stec for coordinating dinner arrangements.

Our outgoing president, Darlene Bower, started the meeting welcoming all and introducing her dad, Ed Prentiss, to lead the group in the pledge. Dan Stec offered an invocation. Other guests were welcomed including Guillermo Trujillo, Evan Bickford, Rod Bower, Alice Crotty, Volney LaRue, Martha Lonergan, Nancy Hales, Meredith Nusbaum, and Sheelagh Baily.

After enjoying our dinner, Darlene Bower swore in the 23-24 officers. Vacancies are highlighted in yellow. If you have an interest in a vacancy, please reach out to Peter Sawyer.

The outgoing officers were praised for leading us through another challenging, yet highly productive year. Darlene was presented with a thank you gift, plaque and sincere thank you from all the members.

A year in review slide show was shared that included the club's community service activities, speakers, and fundraisers. Much was accomplished this year! A special thank you goes to Steve Caine for his leadership in the Muchila Health Center Project. Newly sworn in President, Peter Sawyer, swore in the 23-24 officers.

Mary Anderson provided an update on the Town in Bloom project. The post cards have been mailed to Burnt Hills' residents. The TIB post card describes the program, thanks supporters, and displays the beautiful art work of Val Mosier. Mary distributed cards to members who did not receive the mailing.

Gini Whetten shared a story about when she and Rey received the "Teamwork Spoon" from Steve Caine for their teamwork. Gini highlighted the work done by Peter Parker to oversee the logistics necessary to make our meetings run smoothly. As a result, Gini felt it was time to pass on the Teamwork Spoon to Peter for all his efforts.
