Subject: Weekly Update

To all:

We had a great speaker last week on climate change. On Thursday, a number of you also participated in a great parade Flag Day here in Burnt Hills. Our thanks to all who helped and especially Mike and Darlene. It couldn't happen without you.

This week we will have at least three students who received awards from our club at the BHBL Honor's Night last Wednesday. Maryellen did a great job presenting these awards and we thank her for all her organization with these scholarships.

This week (June 18 at 6pm) will also be a Club Assembly so we will go over the schedule and talk about the formatting of the schedule and the meetings. Hope to have you all there.

You can find the new tentative schedule at the link below:

If you want to attend the meeting via Zoom, please let me know. The link is below:

You should have ordered your meal by now and remember to cancel before tomorrow morning at 10am if you can't make it. Otherwise, we ask that you pay for the meal. We also hope to pick up the meal costs for our student visitors. I'm asking them for their meal choices. So far we will have four people visiting us.

See you tomorrow,
Peter

p.s. Bring goods for the food shelter if you can.

To all:

Sorry for the late notice but **tonight is our last meeting of the Rotary Year**. We will be welcoming Pete Parker in to take over. We had a great meeting last week and got to meet all but one of the students who were awarded one of our Rotary Club Scholarships. Tonight will be the change over dinner as we recap the year and welcome in this year's leadership. I hope to see you all there.

If you have to attend via Zoom, please let me know. I will not turn it on unless I know someone is watching.

Next year's tentative schedule is at the link below:
