Hi Rotarians,

Last Tuesday our Club helped clear brush and cleaned headstones at the Pine Grove Cemetery in Charlton. The weather finally cooperated for this project to be completed.

On Tuesday Milan & Sheila Jackson from the Cobleskill Club, Mike & Joy Zuritis the Host Couple, Dan & Sue Stec and I met Julia, our exchange student from Brazil, at the Albany airport.

The website has been updated to show meeting information on the Rotateller page via the President's weekly newsletter email. This is intended to facilitate area visitors interested in attending our meetings.
(Website is now on our local Rotary signs. /Ken)
