

Hi Rotarians,

At our meeting last Tuesday, Milan Jackson & his wife Sheila from the Cobleskill Club introduced us to the host couple Mike & Joy Zuritis for their Brazilian exchange student, Julia Pereira. Originally Julia was scheduled to stay with a host couple in the Cobleskill area but because she is allergic to long haired animals another host family was needed Mike & Joy stepped up! The Cobleskill Club will remain as the sponsor for Julia & we will be available if local issues arise.
