

08/23/2024

Hi Rotarians,

At our meeting last Tuesday, Eric Hamilton, Shen Rotarian, updated us on the Mohawk Towpath Scenic Byway. He guided us through the Capital District portion of the towpath with slides & narative. He explained that there is an audio tour of the towpath which can be accessed on your cell phone.

Thanks to Ken Crotty, all are roadside signs have been updated to show our web site rather than our meeting at the Ballston Town Hall.

Gentle Reminder: Dues were due in July! (Dues have not been received as of August 21st from five members)
