Hello BH-BL Rotarians,

On Tuesday, January 21th we enjoyed a very informative & interesting presentation by Guillermo Truillo on the status of our Edward Jones investment account followed by a good question & answer session. It was pointed out that for the first time we are going to withdraw some funds to help pay for our scholarships in June. This was one of the primary purposes in starting our investment account.

I have noticed that on occasion that during Happy Dollars a few of the things we are happy about reflect a personal view of something occurring in the world/community which do not reflect the feelings of all of the Rotarians present. Please try to keep your comments to non-controversial topics.

Reminders to the Galway Pantry Deliverers will be sent out at the beginning of each week. I still need a couple of volunteers to handle the scheduling of our delivery volunteers.

Just a friendly reminder that Dues are due for the January to June time frame.
