Hello Rotarians,

At our last meeting Beverly Lazar Davis spoke to us about the "Youth2...Youth Helping Youth" organization which helps youths develop & implement projects that benefit the community with goals similar to Rotary's goals. She brought two students with her who described their projects and read letters describing projects from two other members of the group.

The Saratoga Club has invited us to participate with them in a work project at the Charlton School on Saturday April 26th. We will be building benches, a kayak holder, and doing some work on the trails around their pond. BH BL Rotarians who are interested in joining please contact Greg Schorr.

Galway Food Pantry Coordinator: Linda LeTendre has volunteered to be the coordinator - thank you Linda! The pantry needs the following items: cake & brownie mix, spaghetti sauce, mayonnaise, salad dressing, canned pumpkin & cereal.
