Hello Rotarians,

CANCELLATION DUE WEATHER: The rebuilding of the north planter on Route 50 on Saturday May 10th has been cancelled due to rain soaked conditions. The project will be rescheduled in the fall.

On Tuesday May 6th, Dana Nemic spoke to us about the Main Street Studio located in the former firehouse in Charlton. She & her husband Jason have transformed the old firehouse into a contemporary craft gallery, artist's studio and community arts teaching and making space. Their goal is to create opportunities for people of all ages and backgrounds to discover, learn and practice traditional and contemporary craft techniques, with a special focus on natural materials. Dana talked about their current huge project to make big puppets for Charlton's Founders Day Parade!

Galway Food: The pantry needs the following items: stuffing, crackers, chicken noodle soup broth, canned pumpkin, dry cereal, food & pancake mix.

JULY IS COMING: If you have any suggestions on who would be a good candidate for our Club's open positions, please communicate their names to me.
