

6/14/2025

Hello BHBL Rotarians,

Last Tuesday Peter Sawyer gave a last minute presentation due the cancellation of our speaker due to a fall. The presentation revolved around the fluctuation of societies tendency to be conservative (we) or liberal (I) focused. It was thought stimulating and generated a lot of dialogue.

On Thursday we participated in the BH-BL Flag Day Parade. Mary Anderson and Sue Stec passed out seed packets with a label with a QR code which was linked to a new web site about TIB and subsequently to our web site. Everyone enjoyed the parade and a party sponsored by Mike Brewster after the float returned to Gil's.

Our Club scholarships were presented this week at the High School and the recipients were invited to attend this week's meeting. We have not had any acceptances as of this writing. I did receive a thank you email from one of the recipients and will share it on Tuesday.

Anchor Diamond Park: On June 19th (Thursday this week) two or three volunteers are needed to help install posts with story boards attached at different sites in the park. Please contact Dan Russell if you can help.

THE NEW ROTARY YEAR IS COMING: We still need to identify two Board members at large candidates for the Board of Directors. Please, if you have any suggestions or are willing to serve on Board of Directors, please communicate their names to me or Sue Stec.

Some of the upcoming activities and dates follow:

June 17th Board Meeting

June 17th Dr. Tristram will speak about vaccinations

June 19th Anchor Diamond - install posts with attached story boards - need a few volunteers

June 24th Turnover night at Lunch Thyme

July 22nd Work Night at Hillside Cemetery

September 13th Golf Tournament

September 27th October Fest - where we'll be selling our bird houses.

Pete P.
