Hello BHBL Rotarians,

Last Tuesday Dr. Debra Tristram gave an informative presentation about vaccinations, some of their history and their impact on populations.

Our scholarships have been presented and each of the recipients were invited to attend last week's meeting. The four recipients responded and only Jaxson Dannible our education scholar was able to attend.

Galway Food Pantry: The pantry needs the following items: sugar, cranberry juice & oil. Obviously other items will be accepted/needed.

This week will be a turnover meeting. We will vote on a slate of new officers and then have the installation ceremony.

THE NEW ROTARY YEAR IS COMING: We still need to identify two Board members at large candidates for the Board of Directors. Please, if you have any suggestions or are willing to serve on Board of Directors, please communicate their names to me or Sue Stec.

Some of the upcoming activities and dates follow:

June 24th Turnover night at Lunch Thyme

July 1st Joy King Urban Renewal in Saratoga

July 8th Terry Hines Climbing to New Heights: My Journey through the Adirondack Fire Tower Challenge

July 8th Farewell to Julia Pereiara - returning to Brazil

July 15th Rick Reynolds speaking about the Hillside Cemetery on Kingsley Road

July 22nd Work Night at Hillside Cemetery - Cleaning Grave Stones

July 29th Social/Guest Night

August 5th TBD
