Hello Rotarians,

Last week Guillermo gave us an over view of the status of our Edward Jones investments. Guillermo will attend our next board of directors' meeting to discuss any modifications that we might like to make to our portfolio.

Anne Cargile discussed the role of the Rotary Foundation. She stressed the need for all of us to financially support the foundation as the money that we donate comes back to the district for funding for grants. She also passed out a packet of information about the Rotary Foundation.
If you have questions about the foundation, please feel free to contact Anne.

Guillermo also discussed the Gift of Life and its mission. The Gift of Life will be having a golf tournament on Monday, September 8th at Fairways of Halfmoon. He requested a donation of \$250.00 from the club. He presented us with a fact sheet telling how we can help with the Gift of Life.

The generosity of the members of this club is amazing. We sent a check for \$1000.00 to Rotary District 5840 in Texas to help with flood relief.

We are working very hard to make our golf tournament to be held on September 13, 2025 a success. We will be raffling off a wine basket and an Italian themed basket. We would appreciate donations of bottles of wine and items to put in the Italian basket.

Thank you to everyone who contributed to the Galway Food Pantry. The bin was overflowing! Thank you to Bill Wehrle to his donation of tomatoes from his garden.Food Pantry Delivery Schedule:
