

8/9/2025

Hello BH-BL Rotarians,

Kate Graney, Professor of Political Science, Skidmore College gave a very informative history of our current political situation.

This week, Theresa Murray, Development Director of the Bethany Land Institute, will speak to us via Zoom. BLI is an organization that provides Uganda's rural poor with an integrated program in sustainable land use and economic entrepreneurship. Seeds For Peace sends individuals from Uganda to their training sessions to learn sustainable farming practices. Also Anthony Torres will be speaking to us this week about TIB PR efforts.

Galway Food Pantry-Thank you to everyone who supports the food pantry. Linda needs someone to deliver food to the pantry either 8/14 or 8/21. She will bring a sign up sheet so that members can volunteer for food delivery. It would be great if more members could assist with food delivery.

Galway Food Pantry Needs:

Mayonnaise

Sugar (12 oz. bags available at the dollar store)

Body Wash

This is the last week to contribute for Texas Flood Relief . Checks can be made out to BH-BL Rotary.

Active Shooter Program 8/19/2025 6:30-8:00 PM. This week we met with Lt. Hildreth and Steve Williams from Ballston Spa Rotary at town hall to assess the AV status and seating arrangements. The town has graciously agreed to set up the chairs for us. Refreshments were also discussed. Please share information about this important program with friends and relatives.

Golf Tournament 9/13/2025 The golf tournament is approaching fast. This is our major fundraiser. We need help soliciting sponsors. Please speak to Mike about helping out any way that you can.
