Hello Rotarians,

This week, club member Mike Zuritis, from Solar Foundations, USA, will speak to us about solar power.

Thank you to Linda for taking our donations to the Galway Food Pantry. Thank you to the members that generously donate food items to the pantry. They are always so grateful to receive our donations. Food donations can be brought to our meetings if it is difficult for you to take food to Gil's Garage where there is a box to collect contributions in the vestibule.
