Hello Rotarians,

Thank you to Mike Zuritis for his program last week on solar power. It was a very comprehensive presentation. It clarified many of the questions that some of us have had regarding solar power.

Thank you to Bill Wehrle for delivering our donations to the Galway Food Pantry. Thank you also to those Rotarians who generously donate food to the pantry. The needs for this week are:

Sugar, small bags

Cranberry Sauce

Corn

Jelly

Linda will be bringing a sign up sheet for individuals to volunteer to deliver the food donations on Thursdays for the next few months. If you have not volunteered before to help with this project, please consider offering to help with deliveries. The food pantry is open until 7:00 PM.

Food Delivery Schedule:

10/16 Peter Parker

10/23 Mike Brewster

10/30 Dan and Sue
