This week, Rick Reynolds will be joining us. He will be showing his latest video "What Was and What Is: The Communities of Burnt Hills and Ballston Lake and Their School District , 1938-1940 and 2025. This locally produced video is based on recently discovered 16MM film of the years 1938-1940 in the communities of Burnt Hills and Ballston Lake and their school district. The original footage, edited and annotated, is followed by some of the same scenes in 2025.

Please remember that dues are due. The cost is \$85.00 per member.

The Galway Food Pantry still needs our support. We do not have a list of specific requests this week. They are always grateful for what ever we donate. Financial donations are also accepted. Thank you to everyone who supports this service project.
