**Hello Rotarians,**

**Last week, we were fortunate to have three of our scholarship winners join us for dinner. Regan Brary-Gracz, the winner of the Award for Education and her mother, Atticus Marvin, the winner of the STEAM Award, and Amelia Smith, the winner of the Interact Award spoke to us about their future plans. It was gratifying and encouraging to hear from these outstanding students.**

**Jill Hofmann from the Charlton Historical Society gave us a very interesting presentation about the history of Charlton. Jill is a very energetic, dynamic speaker. We thoroughly enjoyed her presentation.**

**We will be ordering new yellow Rotary shirts. There will be a sign up sheet at Tuesday's meeting if you would like to order one. The cost is \$15.00 per shirt.**
