

7/20/2026

Hello Rotarians,

This week we have a work night scheduled from 4:00-6:00PM at the Pine Grove Cemetery on Stage Road, Charlton, NY. They need to have stones cleaned as well as pruning, weed whacking, and trimming done. Please bring any tools that you have from home to do this work. Also, it would be helpful if people could bring water for stone washing. If the weather is threatening or the air quality is bad from the wild fires, I will let you know by 3:15 if we decide to cancel the work night. We will still go ahead with meeting at the Charlton Tavern at 6:15 for dinner as a reservation has been made for us.

This week, I am again attempting to attach a copy of the club's member data base. Please let me know if you have difficulty opening the attachment or if there is incorrect information. Ken has been working diligently to make updates and create a usable database for us.

Thank you to those of you who generously donated to the Galway Food Pantry. Donations can be dropped off in the box in the entryway at Gil's or brought to a meeting. Our donations are taken to the food pantry on Thursdays as that is the only day that they are open. Thank you also to those club members who deliver the donations to the food pantry.

This week's needs are:

Canned pears

Dry and Wet cat food

Crackers

Small bags of sugar (Available at the dollar store in Burnt Hills)

Our Town In Bloom sites look the best than ever! Thank you to Joy for designing and coordinating with AJ signs to buy new Town In Bloom signs for the sites. Inspiration for the sign design was from some art work that was done by Mary.

Dues are now due for the first half of the Rotary year. Dues are \$170.00 per year. \$85.00 is due now with the balance due on January 1st. Steve Geene or Pete Parker will be happy to accept your dues.
