Hello Rotarians,

Attached is the most recent BH-BL Rotary Member Database. Thank you to Ken for all of his hard work to make the database accurate.

Next week, 8/4, we will be meeting at the Charlton School, 322 Lakehill Road, Burnt Hills, NY 12027. I will be ordering food from Marcella's for our dinner. We will be learning more about the life changing programs that benefit their students.

Recently, Clarice Eaton, Community Relations Manager, Rebuilding Together Saratoga County spoke to us about their valuable program that helps families with needed repairs to their homes. The Showcase of Homes is their major fundraiser October 3rd, 4th, 10, and 11th. They are in need of volunteers to serve as hosts in the homes that are on the Showcase of Homes. Shifts are 3 hours. Volunteers will receive a free ticket to the Showcase. Sign up information will be provided to those individuals interested in volunteering.

Thank you to those individuals who donate to the Galway Food Pantry. Thank you also to those members who deliver the food to the Galway food Pantry.
