Hello Rotarians,

This week, we will be meeting at the outside pavilion at the Charlton School, 322 Charlton Road, Burnt Hills, NY. I will order from Marcella's for dinner. Alex Capo, Executive Director of The Charlton School will provide an update on their life changing programs.

I am happy to report that we raised \$2,077.45 for the Rotary Foundation as a result of our Rotary Night Out event. Thank you to everyone who supported this event. It was successful due to the hard work of individuals in our club and in neighboring clubs.

We are planning several service projects in the near future. We have been asked by the Town of Ballston if we could build 4 benches in Jenkins Park. Details are still being worked out for this project. More information about the project date is forthcoming. We are scheduled to serve dinner at the Schenectady City Mission on 8/18 from 4:30-6:00. Information regarding sign up will be shared. Our work night at Pine Grove Cemetery has been rescheduled to September 1st from 4:00-6:00PM.

Our golf tournament is coming up quickly. It is scheduled for 9/19/2026. This is our major fundraiser. We need help from every club member to make this event a success. To date, we have 10 sponsors for the event. We need help

recruiting more sponsors. We also need more golfers. Please contact Mike if you are able to help in any way.
