Hello Rotarians,

Thank you to Joy, Anne, Linda, Bill Lonergan, Martin, Dan , and Darlene for helping to serve dinner Tuesday evening at the City Mission. Your support was greatly appreciated by the individuals at the City Mission.

The Golf Tournament, which will be held on September 19th, is fast approaching. We would appreciate it if members could donate bottles of wine for our wine basket raffle. Bottles may be brought to our club meeting. We continue to need help securing sponsors. This is our main fundraiser and can use the help of every club member.
