Hello Rotarians,

The BH-BL Rotary Annual golf Tournament is a mere 1 week away on 9/19/2026 at Holland Meadows, 1503 Route 29, Gloversville from 8:00-2:00. This is the club's major fund raiser. We have been working hard at getting sponsors. Please let Mike know if you can volunteer to help on the day of the event.

We will be purchasing a bench in memory of former Town of Ballston Supervisor and long time Rotarian Ray Callanan. It will be placed on the Veteran's trail in Ballston Lake. We will be accepting donations for the memorial bench from club members to help with the cost of this bench. Donations may be given to Steve Geene.

The Alzheimer's Walk will be held on October 3rd from 10:00-2:00PM at Mohawk Harbor. Glenville Rotary will be having a team. If you would like to join their team or contribute to the walk, please let me know and I will send you the link to sign up. CNY Rotary is encouraging clubs to participate.

The Town of Ballston Library could use help with their annual book sale which will be held on 9/29-10/3. They could use help with set up of the book sale on 9/28. Shifts are 2-3 hours. You can sign up to help on the library website under the events tab.
