Hello Rotarians,

Many thanks to everyone who made our Annual Golf Tournament a huge success. Special thanks go to Mike whose leadership provided the organization and coordination that made the tournament run smoothly. Thanks to Gregg for all of his assistance. It was a beautiful day. Everyone enjoyed themselves. Special thanks also go to our major sponsors Near Me Exteriors, Tailored Wealth Solutions, State Farm-John Toper, Gil's Garage, and Hannaford who provided lunch. The success of this event requires the assistance of many of our members. Thank you to those individuals who made personal visits to businesses to obtain sponsorships. This is not a comfortable task for anyone. Thank you to Linda who coordinated the raffle baskets. We had 9 raffle baskets this year. Thank you to everyone who helped on the day of the event. Thank you to all of our golfers.

Ken has been hard at work creating the parts for the benches that we are making for Jenkin's Park. He needs assistance this Saturday 9/26 for several hours beginning at 9:00 to help lift 12 foot 6x6 timbers for cutting and bench assembly. Please contact him ASAP at kcrotty2@nycap.rr.com if you are able to assist him with this project.

Thank you to Anne for giving a presentation last week about the Rotary Foundation. We have been fortunate to receive grants from the Foundation to do work in our community as well as globally. It is essential that we as Rotarians support the Foundation if we want to continue to receive funding for grants. If you have questions regarding donating to the Foundation, please contact Anne at cargileanne@gmail.com.

The Galway Food Pantry is always grateful for our donations. Please donate to this service project. This week's needs are:

Sugar

Crackers

Conditioner

Razors

Applesauce

Rotary Schedule:

9/ 22 Dr. Joe Bruchac Native Americans Ndakinna

9/29 Club Assembly

10/6 Jane Gilotti Greenland and Mining For Critical Materials

10/13 Dr. Anshu Chandra Global Eye Project in Haiti

10/17 TIB Clean Up

Sue
